Ethical and cultural values are amongst the most important assets that we can preserve and pass along to the next generation. It is only with "Unity and Communication" that we can grow and develop our community to ensure elder and younger generation will be spiritually and culturally enlightened to face the challenges of the future.

Matiya World (MW) is hosting their Fourth Convention on July 18th – July 23rd, 2013 on board the Carnival Victory. On a ship that will set sail Miami, FL, with over 3000 people on board, MW intends to make their message of this years convention be heard!

MW is organized exclusively for charitable, cultural, social, educational and most of all preservation of our heritage. Its objectives are established to meet the needs of our members and the community we live in; to organize and conduct charitable, cultural, social and educational activities within the community.

The organization has donated proceeds and time to events such as Habitat for Humanity, the MW education fund, and other noble causes. Most of our members are doctors, accountants, lawyers, engineers, professors, brokers, bankers, and business owners.

The success of this event is credited largely to our sponsors, who lend their names and financial support to the event.

By participating as a sponsor, you or your organization will benefit from extended exposure through promotional campaigns and efforts directed toward the supporters of MW. For a small donation, you'll be able to enjoy excellent exposure to this important segment of your target audience.
