WORLD

3rd Matiya World Convention Orlando, Florida – July 22nd through 24th, 2011

Come join the spirit of...

“GIVING BACK”

Message from the president:

Fellow Matiya,

Matiya World humbly requests your presence and would like to invite you to join the Matiya Community as we hold our third Matiya World Convention in Orlando, Florida. The Convention is scheduled to be held on July 22nd through July 24th, 2011 at the Wyndham Orlando Resort. The convention's theme is "Giving Back" and this is a tremendous opportunity for everyone to join and participate in helping Matiya World's mission to preserve and pass on our cultural heritage and values to the next generation.

You will notice that we have included registration materials with this letter. Please take the time to send in your registration forms today and take advantage of the lower "early registration" fees. We will also be holding our Board of Directors election for Matiya World at the convention. We encourage anyone interested in volunteering their time to the Samaj to please complete the enclosed form and join the Board of Matiya World, Inc.

This is one event you do not want to miss!! It's going to be a fun filled weekend that is both educational and cultural. You will have the opportunity to meet friends and family and rekindle old memories. You can also extend your stay in Florida and enjoy the many attractions the State has to offer including a Cruise. Please take a look at your registration packet for more information. This can be your annual family vacation!

For many of you the cost of travel and accommodations is going to be a considering factor especially with our current economy. I would encourage you to look at the expense as an investment, an investment in our children. Our cultural and family values are priceless and we must ensure that we pass them along to our future generations. The Matiya convention will provide an opportunity to expose many of our youths to our culture, our way of life, and our values. It will provide them the forum to express their needs and to make new friends who have similar issues and expectations.

Please, make this investment in the future of our children and our way of life by attending this convention and being a part of Matiya World.

I look forward to seeing you there.....

Sincerely,
Tushar Patel
President,
Matiya World, Inc.

Matiya World is proud to announce the establishment of an
EDUCATION FUND
for our Matiya Community.

Through the Education Fund, our goal is to maximize educational opportunity for our qualifying children and help them reach their educational and professional goals. As long as our children have the grades, the desire and the will to be educated, it is our responsibility to make this dream financially viable.

The funds at this time are limited, however Matiya World will work diligently to grow this through various projects in addition to direct donations. We look forward to your continued support as we announce various fund raising events.
